

Position: Shuttering Carpenter

Pay: From €20.00 per hour

Job Type: Full-time

Location: Co. Westmeath, Ireland

Schedule: Monday to Friday (40 hours per week) + Overtime available

Available Vacancies : 06

About the Role:

We are currently seeking an experienced **Shuttering Carpenter** to join our growing production team in **Co. Westmeath**. Our client is a leader in concrete innovation and modular construction, provides high-quality structural solutions in a controlled factory environment.

This role is ideal for a skilled tradesperson who thrives in a fast-paced setting and takes pride in precision and structural integrity. You will work as part of a dedicated manufacturing team to deliver high-end concrete modular units.

Key Responsibilities

- **Formwork Mastery:** Accurately setting up, securing, and dismantling shuttering systems (formwork) for wall panels and structural elements.
- **Technical Interpretation:** Reading and interpreting detailed structural drawings, ensuring precise placement for window/door openings, electrical conduits, and insulation.
- **Concrete Operations:** Overseeing the pouring and vibration of concrete to ensure a high-quality, air-bubble-free finish.
- **Quality Control:** Completing and signing off on production checklists to maintain strict industry standards.
- **Collaboration:** Working closely with the Design Team and Production Managers to resolve technical queries and meet critical delivery deadlines.
- **Safety & Maintenance:** Maintaining a clean and safe workspace, adhering to all Health & Safety protocols and company policies.

Requirements & Qualifications

- **Experience:** Qualified Carpenter with a minimum of **5 years' experience** specifically in shuttering formwork.
- **Safety Credentials:** Valid **Safe Pass** and **Manual Handling** certificate are essential.
- **Technical Skills:** Strong ability to read and follow blueprints and technical specifications.
- **Legal:** Valid Visa to work in Ireland and a full, clean driving license.
- **Attributes:** A self-starter who can work under minimal supervision with excellent communication skills.

Working Conditions

- **Environment:** Modern factory-based production facility (sheltered from outdoor weather conditions).
- **Physicality:** A physically demanding role requiring standing, lifting, and the operation of heavy equipment.
- **Hours:** Primarily Monday to Friday, with occasional overtime requirements to meet production targets.

Why Join Us?

- **Competitive Pay:** Starting rate of **€20.00 per hour** with opportunities for overtime.
- **Stability:** Full-time, permanent contract with a reputable local employer.
- **Benefits:**
 - Bike to Work Scheme

- On-site Parking
- Employee Assistance Programme (EAP)
- Pension Scheme
- **Career Growth:** Real opportunities for training, skill development, and internal advancement.
