

# Job Title: Experienced MIG Welder

**Location:** Co. Kerry, Ireland (Factory Based)

**Salary:** €40,000 per annum + Overtime & Allowances

**Job Type:** Full-time, Permanent

**Benefits:** Relocation Assistance, Wellness Programme, Training & Development

## About the Company

Join a premier, high-precision manufacturing leader based in the heart of **Co. Kerry**. Known for innovation and commitment to engineering excellence, we supply high-quality structural and mechanical components to international markets.

The company pride themselves on a culture of safety, quality, and continuous improvement. Due to a significant increase in production demand, they are looking for a top-tier **MIG Welder** to join their expert fabrication team.

## The Role

This is a high-volume production role requiring precision, speed, and a keen eye for detail. You will be responsible for fusing metals using MIG welding techniques to create structural components that meet strict ISO quality standards.

### Key Responsibilities:

- **Precision Welding:** Performing high-quality MIG welding on mild steel, stainless steel, or aluminium as per project requirements.
- **Blueprint Reading:** Interpreting technical drawings, weld symbols, and fabrication plans accurately.
- **Preparation & Finishing:** Cutting, grinding, and cleaning materials; ensuring all finished welds are free of defects and meet aesthetic standards.
- **Quality Assurance:** Conducting self-inspections of welds and collaborating with the QC department.
- **Efficiency:** Working to tight production schedules and maintaining output levels under pressure without sacrificing safety.

## Candidate Requirements

- **Experience:** A minimum of **5 years' professional experience** in a manufacturing or heavy fabrication environment.
- **Certifications:** Must hold current **welding certifications** (e.g., EN ISO 9606-1 or equivalent).
- **Expertise:** Mastery of MIG welding techniques, gas settings, and wire feed speeds.
- **Resilience:** Proven ability to work in a fast-paced environment and meet daily production targets.
- **Safety:** Valid **Manual Handling** certificate and a deep commitment to PPE and workshop safety protocols.
- **Eligibility:** Must have a valid visa or the legal right to work in Ireland.

## Why Join Team in Kerry?

We offer more than just a paycheque ; we offer a career and a community.

- **Financial Rewards:** Competitive **€40,000 salary** plus generous site/shift allowances and overtime opportunities.
- **Relocation Support:** Moving from elsewhere in Ireland or abroad? We offer a **relocation package** to help you settle into the beautiful Kingdom of Kerry.
- **Health & Wellness:** Comprehensive **Wellness Programme** and access to mental health support services.
- **Development:** Regular **up skilling and training** sessions to keep your certifications current and expand your technical range.
- **Social:** Active social club with regular **company events** and team-building days.
- **Standard Benefits:** Pension scheme, paid annual leave, and on-site parking.

## How to Apply

Ready to take the next step in your career with a reputable industry leader?

**Apply now by submitting your CV and copies of your welding certifications** directly to career@gtb.ie
