

Job Title: Skilled Meat Factory Operator (Processing & Production)

Location: Co. Wexford, Ireland

Salary: €38,000 per annum + Generous Allowances

Job Type: Full-time, Permanent

Facility: State-of-the-art Processing Plant

Benefits: Relocation Support, Wellness Programme, Training & Events

About the Company

Join one of Ireland's leading meat processing companies at our **cutting-edge facility in Co. Wexford**. Our client prides themselves on operating a world-class, state-of-the-art environment where innovation meets traditional craftsmanship. Due to continued growth and investment in Wexford site, we are seeking highly skilled and motivated **Meat Factory Operators** to join the production team.

The Role

This is not just a general operative role; we are looking for specialists. You will work across various high-tech departments, from precision cutting to managing automated packing lines, ensuring that every product meets our premium quality standards and full traceability requirements.

Key Responsibilities:

- **Technical Processing:** Expertly performing cutting, deboning, and trimming tasks to maximise yield and quality.
- **Machine Operation:** Operating and monitoring computerised production machinery and automated weighing/labelling systems.
- **Traceability & Compliance:** Maintaining meticulous digital and manual records to ensure 100% "farm-to-fork" traceability.
- **Packaging:** Overseeing vacuum packing and retail-ready packaging lines.
- **Quality & Hygiene:** Adhering to strict HACCP protocols and food safety standards in a temperature-controlled environment.

Candidate Requirements

- **Experience:** A minimum of **3 years experience** in a high-volume meat processing or factory environment.
- **Certification:** Must hold a **QQI Level 5** (or equivalent) in Food Science, Meat Processing, or a related discipline.
- **Skills:** Proven proficiency in deboning and knife skills. You must be comfortable using computerised interfaces on the production floor.
- **Resilience:** Ability to work efficiently under pressure and meet strict dispatch deadlines.
- **Standards:** Strong understanding of food safety, hygiene, and health and safety regulations.
- **Eligibility:** Must have a valid visa or the legal right to work in Ireland.

What We Offer

We value our staff and provide a comprehensive package designed to support your professional and personal life:

- **Financial:** Competitive **€38,000 salary** with additional generous site and shift allowances.
- **Relocation:** We offer a dedicated **Relocation Assistance package** for the right candidates moving to the Wexford area.
- **Training:** Regular up skilling in modern food technology and computerised systems.
- **Wellness:** Access to our **Corporate Wellness Programme** and employee assistance services.
- **Community:** A vibrant workplace with regular **company events** and team outings.
- **Standard Perks:** Pension scheme, subsidised canteen, and on-site parking at our modern facility.
